REMOVE SEAL

SPRAY DISTANCE

SAFETY GLOVES

Maston MC-chainoil is effective chain lubricant for motorcycle chains with and without O and X rings. Suitable for offroad and street use. Instructions: Shake the can before use. Once the lubricant has been applied, wait, depending on the outside temperature for 10-20 minutes, to let solvent evaporate before using the motorcycle.

**BINDER:** Oil

**SIZE:** 150ml , 400ml

**SALES QTY:**  
150ml: 12 pcs  
400ml: 6 pcs
