REMOVE SEAL

Maston M-S8 Multi-functional oil effectively fends off moisture and prevents problems with engine start ups caused by moisture build up in the separator. Easily oils the linkages, joints and cables. Also removes rust from seized bolts and the like. Helps to prevent circuit disruptions and oxidation in electrical equipment. Conforms to the requirements of Mil standards: Mil-C-16173E and Mil-C-22235. Shake before use.
